

MESPA LEADERSHIP CONFERENCE

Breezy Point Conference Center - September 25-26, 2011

"Healthy Hearts, Healthy Minds"

Leadership: the courage to have a vision, the strength to carry it out, the wisdom to applaud those who will achieve it. Our annual Leadership Conference sets the direction for MESPA activities in the coming year. Our intended outcomes are:

- All MESPA leaders will better understand the strategic plan and association goals.
- Committees will develop a solid plan for the year, aligned with top strategic priorities.
- Division presidents and presidents-elect will be supported in putting together meetings and topics for the year.
