Mr. Joey Page  
Principal  
Sheridan Hills Elementary School  
6400 Sheridan Avenue South  
Richfield, Minnesota 55432

Dear Principal Page,

Thank you for your kind invitation to join you for this celebration. While my schedule does not allow me to be with you today, I would like to take this opportunity to congratulate you on your Minnesota School of Excellence validation.

The Minnesota Elementary School Principals' Association set a high standard for public schools across Minnesota with their Schools of Excellence program. Only a handful of institutions receive this prestigious designation every year and therefore this recognition is a testament to Sheridan Hills' dedication to quality education. Your teamwork and your effort to constantly improve your programs are particularly commendable.

Again, I want to thank you for your commitment to student achievement, your devotion to academic excellence and your work to foster a strong learning environment. There is not doubt that this will benefit your community for years to come.

Congratulations on your achievement and thank you for all that you do.

Sincerely,

Amy Klobuchar  
United States Senator
