STUDY ISLAND ONLINE READING INTERVENTION THROUGH GRAPHIC NOVELS FOR K-12

Using rich, visual illustrations in conjunction with the written word, the Study Island Reading: Revisited and Reconsidered program is designed to actively engage and assist your struggling readers, reluctant readers, avoidance readers, and English language learners. Our primary aim is to help your students revisit what reading means and reconsider what they think literature can be.

EARLY ELEMENTARY READERS

*Tin Can Floyd & Alice** by Study Island
Herman Heed by Study Island
Welcome to Ordinary by Study Island
"The Timbertoes®" by Highlights for Children

- Improves early reader phonemic awareness, fluency, text comprehension, and writing
