# Wyoming School Song

We're here to learn, We're here to know  
We're here to reach, and We're here to  
grow...

Wyoming

We learn to share with everyone  
We learn the meaning of a job well done at  
Wyoming School

We are the children; We are the future of the  
USA

We'll build tomorrow with all the things that  
we learn today...

So we say

We're glad we're here to learn today  
For years to come we'll be proud to say  
Wyoming,  
Wyoming School

Thank You!

A special thank you goes out to those who that helped make our celebration a success. We could not have done it without you!
