Division Leadership Achievement Award Guidelines

The **Division Leadership Achievement Award** for elementary and middle level principals is a recognition bestowed annually by each MESPA division. Through the awards we express appreciation to the many outstanding men and women in the principalship whose examples serve as inspirations to their division colleagues. The principals selected are **representative of the many principals who daily influence the lives of teachers and students.**

The award:

- Supports the principalship as an essential role in planning and implementing meaningful educational programs and school reform.
- Provides visibility and public awareness of the principalship within the total education community.
